

SUPPLIES AND MARKETING EXPENSE MANAGEMENT

When it comes to your supplies and marketing expense

- Would you like reduced expense and better expense control?
 - Efficiency ratio
 - Direct and indirect expenses
- Would you like to gain storeroom/warehouse space and reduce labor expenses?
- Would you like to eliminate waste from overstocking?
- Do you want a central online ordering platform for all print, supplies and marketing items?
- Do you want an easy streamlined order solution with an approval process to monitor and control supply requisitions?
- Would you like better management of distribution costs and possibly eliminate couriers?
- Would you like better brand consistency and the ability to scan operational documents?
- Would you like streamlined monthly billing?
 - Multiple invoices to just one
 - Multiple payables to just one
- Do you want reporting that gives you detailed order and financial information?
- Do you want an easy process to have cost allocations done for you?
- Would you like improved control over high value marketing promotional items?
- Need disaster recovery for critical operational supplies?

If the answer is **YES** - we can show you how!
